Fabbrication processes included :		Preparation - Assembly - Welding - Corrosion protection
	outsourced :	Corrosion protection - Preparation by thermal process
	excluded :	Mechanical fastening
Welding certificate :		This certificate is valid only in conjunction with the welding certificate
Remarks :		--

produced by the manufacturer

DCE S.R.L.S.
VIA STELVIO, 5 - 27010 SIZIANO (PV)

in the factory

VIA STELVIO, 5 - 27010 SIZIANO (PV)

is submitted by the manufacturer to the initial type-testing of the product, a factory production control and to the further testing of samples taken at the factory in accordance with a prescribed test plan and that the notified body **IIS CERT** (No. 0475) has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the following Standard were applied.

EN 1090-1:2009 + A1:2011

This certificate was first issued on 24 December 2021 and remains valid as long as the conditions laid down in the technical specification in reference or the manufacturing conditions in the factory or the factory production control itself are not modified significantly.
